Dear Sir,

In response to your personal instructions I made enquiries in the Fort on my way to the Office to-day and learnt that Mr. Narasimiah owner of the Bungalow in the Fort intended for the new Criminal Courts had not returned from Mysore. I was told that he would be coming here in a day or two. As promised by him to me personally he has not replied my letters to him yet. I shall try to see him on his return.

I made other enquiries to-day for another suitable building which would suffice for the two courts. One Mr. Gulam Mohadin Sab owns an upstair building near the Eastern entrance to the Victoria Hospital on the Mysore Road. He showed me the building in detail. The upper hall is very spacious and convenient to be used as the Court-Hall of the First Class Magistrate. There are rooms adjoining it and they are more than sufficient for the officials of his Court.

The hall on the ground floor is as big as the upper hall but on account of two pillars is not so convenient as the latter. It can however be well used as the Court Hall

Sir,

Adverting to your D.O.letter No.J.24 dated 18th September '18 requesting me to select a building in the Fort or some other central locality in the Bangalore City for locating the two new courts, I have the honor to state that I inspected all the available buildings in the Fort and adjoining places, that a bungalow in the Fort belonging to Mr. M.Narasimhayya which is well suited for the purpose is not available as the owner is living in it and cannot find another place for his residence and that I inspected another building near the -- eastern entrance to the Victoria Hospital on the Mysore road belonging to Mr.Gulam Mohadin Sab and found it to be unsuitable as it is close to the Fish Market and the surroundings are not otherwise clean, besides people attending the court would have to wait in the road which is always crowded with people. There is no other building available. Under these circumstances, I request that Government sanction may be obtained (1) to locate the First class Magistrate's Court in a side room in the upstairs of the old Palace. As this room is vacant and can be utilised for the purpose very conveniently without disturbing the accommodation allowed to the City Municipal Kannada Boys' School, and (2) to locate the 2nd class Magistrate's court in the newly constructed Deputy Amildar Magistrate's Court room between the Taluk Cutcherry and the Taluk Police office in the Fort.

2. I have inspected both these places and they seem to be quite central

central and suitable for the purpose.

BANGALORE.

Sir,

I have the honour, on behalf of the Law Association, to represent to you that you may be so good as to make it convenient to arrange to locate the Courts of the First Class Magistrate, Bangalore District, and the Second Class Magistrate, Bangalore District, in the District Office Buildings, instead of in any other building as it is understood to have been arranged at present. I may add that, if the arrangement be kindly given effect to, it will be convenient for lawyers all of whom will be at the District Office Buildings where all the other Criminal and Civil Courts and the Law Association are situated.

This proposed arrangement will facilitate the work of the Court also as the presiding officers can readily have lawyers to be present in their Courts.

I may further add that a similar representation has been made to the

Sir,

With reference to D.O. letter of Mr. S.P. Raja-
H.C Gopalachar., B.A.,B.L., without date in the matter of securing the buildings for locating the Special Magistrates Courts at Shimoga and Sagar, I have the honour to state that it was proposed at first to locate these courts in hired buildings both in Shimoga and Sagar. The buildings proposed for the two courts at Shimoga were those near the District Office buildings in the Bungalow Compound of late Mr. Harihar Krishna Rao. Of the two buildings one Viz, that in which the Sub-Judges' Court was once located was agreed to be let out by the owner on a rent of Rs 40/- and the other was not available. This proposal was approved by Government in their order No. 11438-Cts. 8-4 dated 13th December ~~1918~~.

While I was on the look out for a building wherein ~~Second~~ and Second class Magistrate's Court could be located, and that the Bungalow of one Mr. Subba Setty in the Durgi-Extention about three furlongs from the District Office

buildings was available at a rent of Rs 60/- per mensem. As this building was found to have sufficient accommodation for both the courts, this was secured for the location of the two courts at Shimoga on a rent of Rs 60/- per month.

The Law Association of Shimoga however represented that the location of the courts of these Special Magistrates at a distance from the Civil Courts would cause serious inconvenience to the Lawyers having work in the Civil and Criminal Courts as well. This representation appeared reasonable. Now it has, therefore been finally decided to accommodate the two courts in the District Office, in the rooms now occupied by the offices of the District Sanitary Officer and the Sub-Division Officer, Shimoga, these offices being shifted to Mr. Subba Setty's building in the Durgigudi Extention.

As for the accommodation of the Court at Sagar, a building belonging to Mr. Narasimha Iyengar, in the extention has been secured at a rent of Rs 30/- per mensem.

I request therefore that you will be so good as to obtain sanction of Government for this arrangement.

39 Letter No. 17 dated 10/13 th January 1919 from the Special Second Class Magistrate, Sagar, to the District Magistrate, Shimoga District.

I have the honor to bring to your notice that the parties and witnesses attending my court are put to inconvenience for want of a sheltered accommodation in which to wait before being called into court. I understand from the land-lord of the court house that he has offerred in writing to put up a substantial shed close to it provided he is given the full sanctioned house rent of Rs 25/- per monsem for the court house. If the demand be not deemed exhorbitant, I request that orders may be given to him ~~xxxx~~ to put up very early a decent building in front of the court house and on one side of it to serve as a good waiting room both in the hot and rainy seasons.
